

CANYON WATER

BUDTENDER GUIDE

HIGH DESERT / 5mg THC PER CAN / 12oz

Zero sugar / Zero calories / Non-carbonated

CLASSIC

The Original Bite

Crisp, clean, and straight to the point. Classic carries the Western Lemonade attitude that started the Canyon Water story.

RASPBERRY

Razz Attack

Tart, juicy, and loud enough to stand out. Raspberry brings a brighter fruit profile without turning into candy.

PRICKLY PEAR

Desert Punk

Floral, cactus-fruit energy with a Southwestern edge. A little strange, a little wild, and easy to remember.

ICED TEA

No Sugar Swagger

Smooth black tea character with a dry finish and a little desert grit. Familiar, refreshing, and built for customers who want something less sweet.

FOUR FLAVORS. ONE HIGH DESERT LINEUP.
